Orientation

Wednesday, April 20
6 P.M.

Testing - Testing

Thanks so much parents for the help in getting your children to school and ready to test this week! Students have worked really hard this week. We continue with State testing tomorrow with students in grades 4 and 8 taking the Science test. Make up tests will be held on Monday and Tuesday.

A special thanks to our super primary students for being extra quiet during these testing days!

All students in K-8 will take the Spring MAP tests April 19-21. It is really great to compare the MAP test results throughout the year.
–Mrs. Tro.

Science Fair

All projects need to be set up in the multipurpose room by 9 A.M. on Thursday, April 14.

We are still desperately looking for some more judges. Please contact Mrs. Darnell if you could judge!
–Mrs. Darnell

Pops for Paws Update

Thank you for the TREMENDOUS support for the “Pops for Paws” fundraiser to earn money to help pay for a service dog for Willie Koonce. After just three days, we have already earned \$491.25! A donation jar is also available by the front office, so if you have any spare change, (or change to spare) every little bit helps. Proceeds will help the Koonce family pay for a service dog for Willie Koonce. Students may purchase a “Pops for Paws” pawprint for \$1.00 and receive a lollipop for their donation. A new shipment of lollipops will be arriving at the end of next week. Students can pre-order lollipops now! The class that has the most paw prints will earn a root beer float party! P.S. For more information regarding Willie’s story got to www.Fronteriersman.com.
