Yearbook

If you have pictures that could be included in the yearbook, please send them in to your child's teacher on a disc, as soon as possible.

The yearbooks must be ordered in advance. We only do yearbook sales by advance order. Please return the form and check or cash in the amount of \$17.00 by March 11. If you misplaced the form that went home with last week's newsletter, more forms are available on the shelf by the office.

Mad Scientist

The Mad Scientist will present a five week science class that will be offered after school starting the Monday after Spring Break! Forms are available by the office..-Mrs. Tro.

On Line Registration for 2011-2012 School Year

Next school year registration will take place online for most of the paper work. In order to complete the process parents must be registered under I-Parent. You can sign up on the District webpage under the tab for "Parents." It is important to set up your account now so you will be prepared to register online in July. Thanks!

Lion's Eye Screening

Eye screenings will be held on March 9 from 9:00 to 10:00 A.M. at Midnight Sun. The screenings are available for children six months through third grade. Forms are going home today with all students in the primary classrooms. If you have children at home you would like screened, additional forms will be available by the office window.
