Yearbooks

Yearbooks this year will cost \$10.00 each. Yearbook orders are due by March 21.

Fire Lane

Just a reminder that cars are never to be parked and unattended along the fire lane at the front of the school. The water access for the fire trucks is located at the front of the school. In addition, emergency vehicles need to get right to the front of the school in case of an emergency. Also, the handicap access is located in front of the flagpole. We have had problems in the past when visitors could not access the handicap ramp because cars were parked by the ramp.

Parking along the curbs on the sides of the school is okay for short periods of time (ten minutes or less). People are parking along those curbs for several making it difficult for deliveries and access to classrooms. Thanks for your cooperation in keeping our school safe for all our students.
