A special thanks goes out to our community volunteers who had the hard, but fun job of judging the entries. Judges were: Larry Bottjen, John Foster, Mary Ann Holmquist, and Connie Hogan. We appreciate their service. One last note of appreciation goes to Audra Godin who filled in when a judge had to leave suddenly.

Calling for Pictures

PLEASE HELP

If you have any great pictures of school activities for this year, please get them to Mrs. Golbeck by tomorrow.

State Testing

All students in grades 3-8 are required to participate in the state mandated SBA Testing April 2-5. These tests determine our school's AYP (Adequate Yearly Progress). It is critical that students are at school on time on these days. The tests do NOT have a time limit, so students need to be in school for the full day. It takes some students the entire day to take the tests. We want to give each student the best opportunity to be successful on these tests, and we need your cooperation in assuring there are no interruptions on the testing days.

APC

The March APC Meeting is tonight at 6:00 P.M. At this meeting we will be taking nominations for next year's board.
