State Testing

All students in grades 3-8 will be taking the state mandated Standards Based Assessments next week Tuesday through Friday. It is critical that all students arrive on time. The office will be closed for testing. IT is critical that there be no interruptions throughout the building. To help students be successful on a test they should get a full night of sleep, eat a healthy breakfast, and come to school with a positive attitude. Thanks for your support in making sure your child has the best testing experience possible!
