School Pictures

School pictures are scheduled for Tuesday, September 11. Ordering packets will be sent home next Thursday.

School Directory

Families who signed up to be in the School Directory will receive their copy of the directory today through the oldest child in the family.

Look in the back of the book for the carpooling list.

Pick-Up and Drop-Off

Please remember that you should not leave your car in the pick-up or drop-off lines. If you need to get out of your car, please park in a designated parking spot.

In the morning before school, if you need to park, we ask that you park in one of the side parking spots so you and your children do not need to cross through the drop off line. As it gets darker in the morning we are increasingly concerned about children walking across the drop off line.

Finally, please do not be on your cell phone as you are dropping off or picking up. There are lots of small siblings in our school and everyone needs to keep a sharp look out for small people.

Innisbrook All School Fundraiser

Look for the Innisbrook all school fundraiser packets next week.

Box Tops for Education

Our first time to turn in Box Tops is mid-October. Please send in your Box-Tops to your child's classroom.

Recycle Ink Cartridges

Mrs. Olsen and Mr. Sidelinger earn money for their classes by recycling ink cartridges. There is a box by the office window to drop off ink cartridges.

Emergency Drills

We have completed our first three required drills this year: fire, lockdown, and earthquake. As a part of keeping our school safe, it is important that all children and staff know the safety procedures. We are super proud of how great the students did on these three drills!
