Warm Weather Gear

Just a reminder that with the increasingly cold weather it is critical that students have warm gear at school for recess.

Bricks 4 Kids

We are trying to decide if we should offer another session of Bricks 4 Kids after school in February. The program runs for six weeks and the cost is around \$90.00 per student. Please sign below if your child might be interested in attending Bricks 4 Kids if this program is offered after school at Midnight Sun.

The Excitement of the Season

Parents please remind your children that while this is a very exciting time of the year, we still have lots of school work to accomplish! We expect students to continue to work hard and be on their best behavior. Thanks for your support!
