Snow Shoveling –Help Needed

Our snow removal contract calls for three inches of snow before the contractor removes the snow. It seems that Mother Nature likes to send us one to two inches right before school, so the staff ends up shoveling snow. It would be great if some parent volunteers would show up at 8:15 when it's snowing and help us out. Obviously, by that time it will take longer for us to call you and for you to get here, than if some folks just came and helped.

When the staff has to shovel walks, they are not getting things ready for the school day. Any help anyone could offer would be greatly appreciated.

Report Cards

Report cards will be sent home on Tuesday, January 28.
