Report Card to the Public

As a requirement of the Elementary and Secondary Education Act, states and school districts must issue annual report cards to parents. The purpose of the report card is to provide parents with information about the district and their child's school in terms of teacher qualifications, academic achievement, and school/district accountability. To access the report cards, follow these steps:

1. Visit our district web site at <http://www.matsuk12.us/site/Default.aspx?PageID=17439>
2. On this webpage, click on your school to view your school report card for the 2012-2013 school year (listed under FY 13).

If you would like a written copy of your school's report card, please contact the front office or Tracy Collum in the Federal Programs Office at 746-9253.
