Spirit Week

Thanks to everyone who participated in Spirit Week this week! You are awesome polar bears!

Summer Activities

Need an idea for a summer activity? Love to have your child participate in a summer camp? We have LOTS of fliers by the office window about activities for the summer. **Check them out!**

No School Friday, May 9 Professional Development Day

Intent to return

Intent to Return forms were attached to last week's newsletter. It is really important that we have those forms back by May 15.

Classroom Change Requests

Classroom change request forms are available from your child's current classroom teacher. The process is outlined on the form. A major goal of our school is for students to stay with the same teacher for a long period of time. The multiage research says the longer a student stays with the same teacher, the greater the academic gains that the child makes. Students in the transition classes in grade four and in the primary classes in grade two do need to make classroom change requests. Please make sure you indicate two classroom choices, as we have to honor space available.

Classroom change request forms must be completed and turned in by 4:00 P.M. on May 15 to be considered.

Thanks

A huge thank you to Heather Littau, Heidi Marsh, Melody Fannon, Tina Hogan, Audra Godin, Tonja Hall, and Alice Miller for providing the great food for the Teacher Appreciation Breakfast. The entire staff enjoyed the yummy breakfast! Also, a special thank you to Heather Littau, Heidi Marsh, and Melody Fannon for coming early to set up; Laura Fenwick for decorating, and Tonja Hall for the beautiful flowers.

Help Needed

We need someone to rototill the garden by next Wednesday. The Meadow Lakes Garden Club is going to come stake out the garden so the students can plant the garden.

Also, each class is taking a week in the summer to weed and water the garden. Please see your classroom teacher if you could help during your class' week.
