APC Meeting

This month's APC Meeting is tonight: Thursday, August 29 at 6:00. Everyone is welcome to attend APC Meetings.

Winter Gear Round Up

MSFLC classes are collecting gently-used, outgrown, coats, snow-pants, and snowsuits. We will clean them and make them available to families who could use them. Please check your closets and bring in donations before September 19. We will make the gear available to new owners the first week of October. –Mrs. Courtney

Morning Drop Off

Several parents are pulling around the line and dropping off children outside the first line of cars. Children are running between cars to get into the school. This is a very dangerous situation. Please only drop off children at the curb.

The line will move much more efficiently if drivers pull forward as far as possible (to the flagpole) to begin dropping off. We can unload 10 cars at the same time, if the first drivers are pulled far enough forward.

Also, please make sure your child knows how to get out of the car on his/her own. It really slows things down when parents get out of the car.

If you need to walk your child into the school or provide him/her extra assistance getting out of the car, please park in the end parking lots on the sides of the school and walk the child into the building.

We need to work together to keep all our students safe.

Aimes Web Testing

The District mandated Aimes Web Test will be administered to all students in grades K through 3 September 4 and 5. This is one form of data used to help us confirm the progress your children are making in reading.

How Does Our Garden Grow?

A huge thanks to Patti Fisher and the Meadow Lakes Bloomers Garden Club for working with us to plant and harvest our garden. Thanks also to Jamie Woodside, Hilary MacDonald, and Tonya Hall for working on the garden this summer! Thanks to Lieba Putnam for keeping the garden watered and weeded all summer! That was a major task this summer!

We had a wonderful "Stone Soup" today prepared by the entire school with veggies from our garden! The rest of the veggies will be donated to the Wasilla Food Bank!
