Mrs. Olsen – 357-6772
Mrs. Tro. – 357-3733
Mrs. Menzia & Mrs.
Sandvik – 357-6458

Parking on the Street

If you park on one of the streets around the school please only park on one side. The neighbors are complaining that they can't get through to their homes.

Geography Bee

Congratulations to our school Geography Bee Champion: Quincie from Mrs. Tro.'s class and our second place finisher Jaquelyn from Mrs. Foster's class. Thanks to all the student participants this year. You are amazing! Thanks to Mrs. Courtney and Craig Sorrie for serving as judges!

Report Cards

Due to circumstances beyond our control, report cards will be sent home on Friday, January 30. Thanks for your patience.

We do not schedule conferences for all students in this semester. It is our school expectation that if parents have questions or concerns, the parent will contact the classroom teacher immediately. By the same token, our teachers will keep you informed regularly of concerns. If you would like a conference with your child's teacher, please contact him or her so that can get set up.

Chess Club

Chess Club begins next week on Wednesday. Students in grades 4-8 may participate. The club will meet on Wednesdays from 3:45 to 4:30, except for early release days. We will meet up until the District Meets-TBA. Students must have the attached permission slip completed along with \$5.00 to participate.

NAEP Testing

Every other year the NAEP (National Assessment of Education Progress) test is given to students in grades 4 and 8 throughout the nation. This year our eighth graders have been selected to participate in the assessment. The assessment will be given on March 2.

SCCS Survey and AMP It Up Day

Parents of students in grades 3-8 please see attached information letters regarding these state and district mandated programs.

APC Monthly Meeting
TONIGHT

6:00 P.M.
