Student Council Warmth for the Homeless

Student Council had the opportunity to hear a presentation by the District Homeless Liaison Amy Dorsey. After hearing about the nearly 800 homeless students in the Mat-Su Borough and some of the needs associated with this situation, Student Council wanted to do a service project that would help the homeless students of Mat-Su. Student Council is collecting hats, coats, gloves, socks, and blankets. These could be used if they are clean and in good condition. New items will also be accepted. The blue tubs in the front hall are for these donations.

Help Needed

Mrs. Tro. needs some help with the scenery for the Christmas program. If you can handle a heavyduty stapler, you can do the work. Please let Mrs. Tro. know if you could help with this project.
