Photos Needed

We are looking for photos for the Yearbook. If you have any pictures of class activities or all school activities, please get them on a flash drive to Mrs. Barker.

APC Meeting

Our March APC Meeting is tonight at 6:00 P.M. Nominations for next year's board are due at this meeting. If you are interested in serving on next year's APC Board, please attend this meeting and get your name on the list of nominees.

Science Fair

This year we are trying some new things with our school Science Fair. We want to make sure the Science Fair is child centered. Any student in grades K-8 may participate. The Science Fair will be on April 17. Students will have to set up their own projects in the multi. We have judges from outside the school coming to judge. Parents will be able to view the projects at 3:00 on April 17. All students earning a given amount of points will be able to earn a blue ribbon. The scoring rubric is attached to this newsletter. Please see your child's classroom teacher if you have any questions.

Spirit Week

This year Midnight Sun Student Council will be sponsoring Spirit Week April 27 through May 1. We will have our annual Art Contest. Art will be turned in for the contest on April 24. We do not have anywhere to store art in advance of that day.

The Talent Show will be on May 1. Students will be able to audition for the Talent Show April 15 and 16. Watch for more details about the grade levels and audition times.

Eligibility

Per School District policy: students wishing to participate in a school activity must be in attendance all day on the day of the event or activity. If the activity takes place on the weekend, the student must be in attendance for the full day on Friday and Monday.
