Mrs. Olsen – 357-6772
Mrs. Tro. – 357-3733
Mrs. Menzia & Mrs. Sandvik – 357-6458

Chess Club

Congratulations to Steven T. from Mrs. Tro.'s class for placing third in the Middle School District Chess meet. The entire Middle School team also earned the school a third place finish: from Mrs. Tro.'s class-McKenzie, Steven T., Zach, Gage; from Mrs. Foster's class: Alyssa, Jordan, Emmalee; and from Mrs. Allen's class: Nick.

Art Contest

Art can be turned in tomorrow before or after school for the Art Contest. Entry forms will be available in the front hall.

Science Fair

Thanks to the fifty-eight students who entered experiments in this year's Science Fair. Thanks also to our amazing judges from the Houston High School Science class. This was a great experience for our students and the students from Houston High School. The conversations about Science were remarkable. Thanks parents for your work in supporting your children's exploration of Science.

Next year's Science Fair will be held in October. We hope that students will think about something that might be fun to work on over the summer. In addition, we also are trying to work on spreading out the competitions so there are not so many things happening all at once!

Orientation

This year's Orientation will be tonight at 6:00.

Talent Show

The Talent Show will be on May 1 at 2:30. We had a lot of students audition. The Student Council representatives had their work cut out for them as judges. Thanks to all the amazing students in our school who tried out for the Talent Show.

Eligibility

Per School District policy: students wishing to participate in a school activity must be in attendance all day on the day of the event or activity. If the activity takes place on the weekend, the student must be in attendance for the full day on Friday and Monday.

Summer Activities Fliers

There are lots of summer activity fliers by the office.
