Mrs. MacDonald - 373-6774
Mrs. Olsen - 357-6772
Mrs. Tro. - 357-3733
Mrs. Menzia - 357-6784

Lost and Found

Please encourage your children to check the Lost and Found. It's amazing how fast the Lost and Found accumulates.

Head Lice

Sadly, the head lice have re-surfaced. Please encourage your children to not share hats. It's a really great idea to put students' coats and jackets in the dryer each night. The lice don't like the heat.

No School

Schools will not be in session tomorrow. All School District staff will be participating in professional development.

No school on Monday due to the holiday. Have a great four day weekend!

Innisbrook

Materials for the Innisbrook fundraiser are coming home today. The sale starts today and ends on September 18. Parents enter the orders online. If you cannot enter them online, bring in your orders to the office no later than September 17 and Ms. Cherry will help you. You can also ask your out-of-state friends and family to order online. Our school number is 122345. Please no door-to-door sales. All profits will be divided out among the classrooms for teachers to use for field trips and class projects. The class that sells the most will earn a \$200 bonus. The second place class will earn an extra \$100.

Midnight Sun Fun Run

Midnight Sun will be holding a Fun Run on September 6 at 2:00 with the starting line at Wasilla High School. Registration forms need to be to the office as soon as possible. Our amazing race coordinator is busy organizing the race. We are in need of some donations for the Fun Run. Please bring these items to the office no later than September 3. (See the attached blue sheet.)

APC Meeting

Our next APC Meeting will be Thursday, September 18 at 6:00. All parents are welcome to attend. Your attendance at the meeting counts as volunteer/involvement hours.

Aimes Web Testing

As mandated by the school District, all students in grades K-3 will be participating in the Aimes Web testing on September 2 and 3. These tests are given on an individual basis and serve as a data point for reading instruction.
