Early Release

Our next Early Release is
next Wednesday, January
20 at 2:30. Thanks for
promptly picking up your
children.

MAP Testing

Winter MAP testing begins
next week on Wednesday.
We will be testing for the
next two weeks on
Wednesdays. In addition,
students in grades 3-8 will
test on January 28.

Please make sure your
children come to school
ready to do a great job on
the tests! They need a good
night of sleep, a healthy
breakfast, and a positive
attitude.

Parent volunteers cannot
be in the building during
testing.

Jump Rope for Heart

We will be holding the kick-
off assembly for Jump Rope
for Heart tomorrow. The
fundraiser is completely
optional. We hope the next
three-week's activities
support healthy eating and
recreation. Thanks to
Student Council for their
leadership on this project.

New District Mandated Health Forms for Allergy and Medication

Forms are being sent home
today for students with Epi
-Pins and inhalers. These
forms are required to be
signed by a physician. In
addition, any time a student
needs to receive medication
at school, a form (signed by
a doctor) must accompany
the medication. The
medicine must be sent in an
original container.
Pharmacies are generally
great about providing two
containers if needed.
