#### Caution PLEASE

We need people to be patient and cautious during drop-off in the morning. Cars are zipping around each other and there have been way too many close calls this week. Our students are way too precious to take a chance on injuring someone to save a few seconds.

### Teacher Feedback

Please consider going to the District website and completing a teacher evaluation feedback form. It is great to hear the wonderful things that you as parents appreciate about your children's classroom teacher. The feedback can be considered as a part of the teacher's evaluation, if the form is signed. You can turn in the forms to Ms. Cherry in the office.
