### Student of the Month

This month's student of the month asset is persistence.

### Help Needed

We have an assortment of all school cleaning activities which need to be completed. Please check in with the office if you could help with one of these projects.

### AMP Testing

Midnight Sun students in grades 3-8 will be taking the State Mandated AMP tests (Alaska Measure of Progress) April 5-7.

### Involvement Hours

A reminder that when ever you volunteer or attend an activity at school, please sign in on your child's, green, classroom sign in sheet. This is how we tract the volunteer hours. Every four weeks the classroom aides turn in a report of the families who have completed cleaning during that four-week period.

A reminder: any cleaning missed from last week forward will be charged at \$30 per time, or even better: please come in and complete an all school cleaning activity and we will check you off with no charge.

### Fliers

There are LOTS of fliers by the office window with things to do for Spring Break and this summer. Check them out

### Silent Auction

We have a few items on the table across from the office that are still for sale. Please talk to Cherry in the office if you would like to make us an offer on any of the remaining items.

### Congratulations

Congratulations to Gracie in Mrs. Foster's class for qualifying for State Geography Bee. Thanks Gracie for representing Midnight Sun.
