APC Meeting

Per our by-laws any nominees for APC Board Members must be submitted at the March meeting. The April meeting is our Annual Meeting and all members can elect the new board.

Our March meeting is March 24 at 6:00 P.M.

AMP Testing Date Change

Midnight Sun students in grades 3-8 will be taking the State Mandated AMP tests (Alaska Measure of Progress) **April 6-8.**

Attendance

There have been some questions about attendance. It is critical that you call your child's classroom teacher if the child is sick. Being sick does not take away the absence. The best practice is to only be absent in the case of sickness.

One of the major goals of our charter and school is for students to have excellent attendance. We have put a lot of time and energy in the last two years in to some positive rewards to motivate students to be at school.

This year the APC voted to include attendance as a part of the school contract. We have too many students with excessive absences. It's unrealistic to expect student's to reach their full potential when they are not at school. Doing papers is not the same thing as participating in instruction.
