September 17 APC 6:00  
September 23 MAP Testing-Math  
September 30 MAP Testing-  
Language  
October 1 MAP Testing –Science  
Grades 3-8

### Phone Numbers:

Mrs. Allen -376 -6772  
Ms. Foster– 357-6455  
Mrs. Beesley – 357-6462  
Mr. Sidelinger – 376-6776  
Mrs. Darnell – 357-4844  
Mrs. MacDonald – 373-6774  
Mrs. Olsen – 357-6772  
Mrs. Tro. – 357-3733  
Ms. Ennes & Mrs. Sandvik  
– 357-6458

### Innisbrook

Our all school Innisbrook fundraiser will begin on September 5. More details will be sent home on September 3.

### Please No Parents on the Playground During School

We ask that parents stay off the playground during the school day. It creates an unsafe situation when adults who may be unknown to the aides are on the playground during recess. This includes not talking to your children over the fence during recess. The aides are then paying attention to you instead of to the children they are supposed to be supervising. If you need your child during recess, please go to your child's classroom and the teacher will get the child for you.

### Entering the School After 8:55

The front doors close at 8:55 in the morning. You then need to go to your child's classroom door to enter the building. In addition, if your child is arriving after 8:55 you need to go into the classroom and sign the child in on the pink sheet in the classroom. If your children are in two classrooms, you must go to each classroom to sign them in.

### No School Tomorrow

There is no school for

students tomorrow. Staff will be in training.

### School Pictures Wednesday, September 2

The form for school pictures is coming home today. Please make sure your child dresses nicely even if you are not purchasing pictures. We will be putting the lovely school pictures in the yearbook.

### Fun Run

The MSFLC Fun Run will be held on September 12. This fundraiser is to raise money for our afterschool activities. Please sign-up soon! We are trying to get the event organized and it really helps if we have the runners in our system. It is best to register on line, but we will be accepting paper registrations at the school.

### OVER- More news on back this week!

### MAP Testing

We are trying something different with MAP testing this year. We will be testing one day a week for three weeks in September. We

hope this will make the tests feel less stressful. We also hope that this will make us feel like we are not losing so much teaching time. Thanks for working with us on our new test of the tests!

### Science Fair

This year we will be holding the school Science Fair on November 12. We are moving a couple of events to an earlier time, so there are not so many things all at the same time.

It's time to start gathering ideas for your Science Fair project.

### Newsletter Drawing

We are going to do a newsletter drawing at the end of each month. Students must turn in the completed form the next

school day after the newsletter comes out to be entered in the drawing. This week the tickets have to be turned in on Monday morning. If you have more children in the school than there are forms, just use a piece of the newsletter and write the information on it. One ticket per week, per child.
