APC September Meeting

The regular meeting for the APC will be held on Thursday, September 17 at 6:00. All parents are welcome. This is a good way to hear the issues our APC Board discusses.

Early Release Wednesday, Sept. 16

Our next early release will be next Wednesday, September 16 at 2:30.

Innisbrook

Our all school Innisbrook fundraiser is underway. No door-to-door sales. Only sell to people you know. Out-of-town relatives can order on line. Funds will go toward the purchase of a quality sound system for the multipurpose room.

Fun Run

The Fun Run will be held this Saturday at 2:00. You can register at the race! Thanks to all our volunteers for the work that has already gone into this. A special thanks to Leah Hamilton and Robin Rice!

Volunteers Needed Fun Run

We still need volunteers for the Fun Run. If you can help, contact Leah Hamilton at 373-8712 or mfunrun@gmail.com.

Band

We are going to offer band class to students in grades 5-8 beginning October 5. See the attached form for more details.

Student Pick-Up

If you have someone besides yourself pick-up your child, please make sure that person is aware of the school procedure of coming in the child's classroom and signing him/her out. Also, make sure the person has the classroom phone number to get in the building. The building is locked to keep your children safe. Thanks for your support and cooperation in following our procedures.

MAP Testing

We will begin MAP Testing next Wednesday. We are going to test on Wednesdays for three weeks. Please make sure on testing days students get a good night of sleep, eat a healthy breakfast, arrive on time, and come with a positive attitude. These four things make a huge difference in a students' success on the tests.

Subway Begins

A huge thanks to all our school aides who spend a lot of time each week running off and organizing the Subway orders. Also, a thanks to our volunteer drivers for picking up the orders. Thank you parents for following our procedures to make this option possible for our students.

Fliers

We have attached some fliers to today's newsletter. We only send home fliers that are sent to us with enough copies for the school. Each week we receive lots of announcements about activities around the valley. It just isn't practical to make copies of all those announcements. Please check out the boxes in front of the office to see what is happening around the valley.

Science Fair

The Science Fair will be November 12 this year. It is open to students in grades K-8. There is a flier attached to today's newsletter about the Science Fair.
