MAP Testing

Map Testing continues next Tuesday for students in grades 3-8 and Wednesday for all students. Thank you for making sure your children are here and ready for testing. Please make sure on testing days students get a good night of sleep, eat a healthy breakfast, arrive on time, and come with a positive attitude. These four things make a huge difference in a students' success on the tests.

Due to the testing rules we must follow, we cannot have parent volunteers in the building during testing.
