Ms. Moses - 357-6462
Mr. Sidelinger - 376-6776
Mrs. Darnell - 357-4844
Mrs. MacDonald - 373-6774
Mrs. Olsen - 357-6772
Mrs. Tro. - 357-3733
Mrs. James - 357-6458
Mrs. Ingram -357-6784

Silent Auction

We will be having a Silent Auction in conjunction with the Craft Fair. All Silent Auction items profit go to the class from which they were donated. Please get all Silent Auction items to Mrs. Tro. no later than Monday, December 12 at 4:00.

MAP Testing

Map Testing continues next Wednesday. This is an important time of the year to measure student's growth. Please encourage your children to do their best work and show us what they know!!

Please make sure on testing days students get a good night of sleep, eat a healthy breakfast, arrive on time, and come with a positive attitude. These four things make a huge difference in a students' success on the tests.

Due to the testing rules we must follow, we cannot have parent volunteers in the building during testing.

Spelling Bee

Congratulations to our school Spelling Bee champ: Rueben in Ms. Foster's class. Rueben will represent MSUN at the State Spelling Bee in March. The Runner-Up in the Spelling Bee was Christian in Ms. Foster's class.

Northern Lights Coupon
Books

Next week is the last week for selling the Northern Lights Coupon Books. All money and unsold books must be returned by Friday, December 16 at 3:45.

Mat-Su Special Santa Program

Forms for the Mat-Su Special Santa program are available outside the office door. If you know someone who is struggling to buy gifts for their children this Christmas, pick up a form for them.

Christmas Programs

We have two Christmas programs on December 13. At 10:30 Mr. Sidelinger's, Mrs. Tro.'s and Mrs. Olsen's will be holding a tea. At 1:30 the primary classes will be performing their Christmas songs. Please DO NOT park on the street during these events. Our neighbors in the subdivision get very upset when we block off the road.

Over
Christmas Program
Continued

There is extra parking on the playground behind Mrs. Foster's and Mrs. Tro.'s classrooms. There is also extra parking by the dumpster area.

You cannot park in the fire lane along the front of the school.

We could really use at least two parent volunteers per program to help direct parking. This is a difficult task for the staff when we are preparing students for the performances. If you could help direct people for parking, please check with Mrs. Tro. ahead of time so she can let you know where we need people.

Craft Fair

We are going to hold a Craft Fair on December 16 and 17. We are looking for parents from each class to help run a class table. Please contact your child's teacher if you would be interested in organizing a craft table for your class.

Great News

Ron the Camper Man found his missing metal detector on the ground at the end of the road! This will save us some money. We will just buy Ron a gift card to replace some of the tools that were stolen out of his shed.

Candy Grams

Next week is the last week for Candy Grams! The candy grams cost \$1.00 each and are delivered three days a week: Mondays, Thursdays, and Fridays. This year the funds collected will help buy a tool gift card for Ron the Camper Man and the rest of the funds will be donated to the Mat-Su Special Santa program, which buys Christmas gifts for children in need. More copies of the candy grams are available from your child's classroom aide and by the office window.

Reminder: Social Media Caution

The vast majority of our parents have requested that pictures of their children not be posted on Facebook and other social media sites. When we have school events, please do not post pictures of children other than your own. It's important that we respect each other's privacy.
