Thank You

Thank you parents for all the work you do to make our school a great place to work and learn! We really appreciate you! Thanks for the treats during teacher appreciation week. We hope you have an awesome summer!

Lost and Found

The Lost and Found will be taken to Salvation Army next Tuesday. There have been a bunch of coats hanging on the fence this week. Please check with your child and make sure he/she has his/her coats, etc.

Important Flier Attached

Attached to today's newsletter is an important flier with information about registration for next year.

You should be receiving in the mail a registration packet from the school around July 24.

If your family situation changes over the summer and your children will no longer be attending MSFLC, please leave a message on the office phone as soon as possible. As always, we have more children on our wait list than we have space in the school. Parents are anxiously waiting to hear from us. The sooner we can let them know of space available, the sooner they can breathe that heavy sigh of relief you once felt!

Primary Students Only

Students in the primary classes ONLY will be starting school a couple days later than everyone else. After much discussion, the APC voted to have the primary students come to school on Tuesday, August 15 from 2:00 to 3:30 to get their supplies set-up and to meet their teacher and classmates. There will be a reception for primary parents in the multi-purpose room during that time.

With school starting on a Monday the last two years, we've seen way too many tears from our young friends. We hope this process will allow the younger students, especially the kindergartners, to ease into their new routines.

All other students will begin school on Monday, August 14 as determined by the School District.

Finally: Thanks to the Staff

Thanks to our amazing staff for all they do for your children! Happy Birthday Ms. Cherry.
