Help Needed

We are looking for a responsible, volunteer with strong tech skills to coordinate and create the Yearbook. Please see Mrs. Tro. if you are interested.

NO School Tomorrow

Tomorrow is a District wide Professional Development Day. There will not be school for students.

MAP Testing

MAP testing begins on August 31. This is much earlier than normal. We are assigned a testing window of time by the District; so we have to make the best of it. We test for three weeks on Wednesdays. We switched to this system last year and it seemed much less stressful than testing a bunch of days in a row.

Due to the testing rules we must follow, we cannot have parent volunteers in the building during testing.

Cleaning

If you are signed up to clean tomorrow, you need to make-up the cleaning by helping an extra day in your classroom or do an all school cleaning item. Every family has to clean once per each four week rotation for each classroom you have a child.

Fun Run

This year we will be running a different route for

the one mile race. It will be ran in two heats.

The on-line registration link is available on our school website:
midnightsunschool.com.
You can get a paper registration form by the office.

If you're interested in volunteering to help with the event, please sign up on the sheets outside the office. We have several areas where we still desperately need help for the Fun Run!

Late Arrival

If your child /children are late to school (arriving after 8:55) please bring them into their classrooms (through the classroom door) and sign in on the classroom pink sheets. DO NOT just drop them off outside the school. The school doors are all locked during the day to protect the students and staff.

OVER

Stone Soup

We made wonderful Stone Soup today with veggies from the garden. A huge

thanks to our amazing Jamie Woodside and all the parent helpers who watered and weeded the garden this summer.

Volunteering

You are responsible to record your volunteer hours on the green sheets in your child's classroom. The blue sheet by the office is for visitors who are not parents. Parents must have a total of 45 volunteer hours by the end of school in May.

Aimes Web Testing

All students in grades K-3 will be screened for Reading through Aimes Web testing on September 6 and 7. This test takes about 15 minutes and is given one-on-one by a trained test administrator.

Newsletter Drawing

We have newsletter drawings throughout the year. Students must turn in

the completed form the day after the newsletter comes out (AKA- Friday) to be entered in the drawing. If you have more children in the school than there are forms, just use a piece of the newsletter and write the information on it. One ticket per week, per child.
