Soup and Science Night

Soup and Science Night is next Tuesday, January 23 from 5:00-7:00. We have some awesome presenters this year. Alaska Wild Bird, West Lakes Meadow Lakes Search and Rescue Dog Handlers, and Mrs. Cassidy Robotics are just a few of the awesome scientists who will be at Soup and Science night.

Egg Drop Contest

We are having a contest this year to see who can bring the most creative packing material to use to pack the egg for the egg drop at Soup and Science night. We'll have some materials available for you to use at the Soup and Science Night.

Alex Zerbe Family Night

Alex Zerbe will be presenting two assemblies on January 30 for students at MSUN. He will

be presenting a different assembly in the evening for families at 7:00 P.M. on Tuesday, January 30. We think your families will love this amazing presentation?

These assemblies have been sponsored by the generous donation of Meadow Lakes Community Council.

Head Lice

Unfortunately, a few cases of head lice decided to come to school after Christmas vacation. This is a good time to remember to throw your kids winter gear in the dryer each night and try to eliminate the head lice with the high heat.

Also, please talk to your children about not sharing hats.

January APC Meeting

The next APC meeting will be tonight at 6:00.
