### Phone Numbers:

- Mrs. Allen -376 -6772
- Mrs. Marsh- 357-6455
- Mrs. Beesley – 357-6462
- Mr. Sidelinger – 376-6776
- Mrs. Darnell – 357-4844
- Mrs. Hudson– 373-6774
- Mrs. Olsen – 357-6772
- Mrs. Tro. – 357-3733
- Mrs. Valley -357-6784

### Lost and Found

The Lost and Found is again over flowing. Please have your children check for their belongings.

### New Driving Queue

Thanks to everyone for driving safely through the new driving queues. We are definitely getting the cars off of Pittman.

On Allen’s side please pull all the way up to the garden before loading children. If we can load four cars at a time it will move much faster.

Also: EVERYONE please make sure your children know to walk in front of your car, if they need to load or unload opposite the driver’s side.

### Volunteers Needed

We need help at the end of the school day (3:10) starting on October 29 to put the cones out front for the new dismissal procedure. It would be great if we could have one volunteer per day.

We will also need two volunteer’s per day to help with directing traffic in the new dismissal route.

Please contact the office if you are available to help with this.

### November APC Meeting Monday, November 12 1:00 P.M.

All parents are welcome.

### Fun Run T-Shirts

We have Fun Run t-shirts from this year’s Fun Run for sale. They are available from Mrs. Golbeck (in Mr. Sidelinger’s Room) for \$5.00 each.

### APC Board At-Large Representative

We are looking for an At-Large representative. This position can be filled by a parent or guardian from any classroom. If you are interested in serving on the APC Board, please contact your child’s classroom teacher.

### Science Fair

The Science Fair will be held on November 20. Students in grades K-8 may enter experiments in the Science Fair. The fair will be judged by Houston High School Advanced Science Class students.

The Science Fair project should be an experiment not a survey or demonstration. It’s a great idea to think of something practical as an experiment.
