Summer Fliers

There are lots of amazing summer opportunity fliers by the office window. Check out all the fun things for kids in the valley this summer!

Help Needed

We need the playground swept at least once a week. At this time of the year, as the snow melts, the rocks on the playground create a slippery condition. There are brooms by the front door that can be used for sweeping. If you are behind in your cleaning, this is a good make-up activity.

Remember 45 is a minimum number of hours expected.
