### MAP Testing

Major MAP testing problems today. The company that administers MAP testing couldn't get the technology to work so we couldn't test today.

MAP testing will begin Sept. 5. Students in grades 5-8 will be taking the Science test.

On Thursday, Sept. 6 students in grades K-8 will take the Reading test.

A reminder: the best ways to prepare for the tests are to eat a healthy breakfast, get a good night of sleep, and come to school with a positive attitude!

Parents cannot be in the building during MAP testing. It generally takes us until sometime between 1:00 and 3:00 to finish the tests. Please check with your child's teacher if you are supposed to be volunteering in the afternoon of MAP testing days.

All parents are welcome.**

### Aimes Web Testing

Students in grades K-3 will be taking the district mandated Aimes Web reading tests on Tuesday or Wednesday next week. Each student will be tested individually. The test takes about five minutes per person.

### Fun Run

The Fun Run is just ten days away. We need some additional help. Please see the attached sheet.

We are really encouraging people to sign-up on line.

The first 100 people to register on line are eligible for an extra big drawing at the Fun Run.

Early Registration Prizes to include:  
\$375 Relic Photography Certificate  
Valley Cinema Movie Tickets  
Extreme Fun Center Coupons  
Red Robin Gift Card  
Cold Stone Ice Cream Gift Card  
Fly Trampoline Coupon

### Fun Run Helpers Needed

Parents who volunteer at the Fun Run earn two hours for every hour they help during the Fun Run event.

### **Gift Cards**

We are looking for parents to donate gift cards for the drawing at the Fun Run. For every \$10 you spend on a gift card you earn 1 volunteer hour. Take the cards to Ms. Cherry and she will document these toward your hours.

### **Food and Water donations for the Fun Run**

If you signed up to bring food and/or water for the Fun Run, please do NOT bring those items until September 6 or 7. On September 6 or 7, place the item in the multi kitchen. You will put a stickie on the item with your name and class. Sign in on your oldest child's class green volunteer notebook indicating what you donated. Mrs. Tro. will cross reference your stickies with the green volunteer notebooks.

### **Asthma and Severe Allergies**

If your child has asthma, please get a copy of the asthma plan from Ms. Cherry and have your medical provider complete it as soon as possible. If your child has an EpiPen, please have your medical provider complete an allergy plan form. The staff needs these plans along with the EpiPen and/or inhaler on-site so we can support your child if a medical emergency arises.

### **Parent Contracts**

A copy of the Parent Contract was sent home last week or this week for your files. Please contact your child's teacher if you have not yet received your copy.

**NO School August 31,

### **Thanks!**

A huge thanks to all the parents who have been helping with weeding and cutting brush around the building.

### **Go to Classroom Doors After School Day Starts**

As soon as the school day begins at 8:55 parents should be going to their child's classroom door to drop off items, get students, volunteer, etc. Due to budget constraints the office is only partially covered. Ms. Cherry has lots of things to get done when she is in the office, so she needs to not be disturbed.

### **Sign-In in Classrooms not by Office**

The sign-in sheet by the office is for visitors who are not parents or guardians of students in the school. You need to sign-in in the green notebook in your child's classroom as the green notebooks are what we use to calculate the parent volunteer hours.

### **Contact Information on pink slips**

Today each child is being sent home with a contact information sheet. We need you to make any corrections and/or confirm that the information is correct. This is emergency information and we want to make sure it is accurate. Thanks for your help with this!
