- Two red, green, OR purple pens
- Two blue pens
- One Dictionary (Age appropriate)
- One Thesaurus (Age Appropriate)
- One box 30 or LESS colored pencils
- One pair Fiskar scissors
- Two glue sticks
- Two fine tip, black, permanent markers ("Sharpies")
- One large eraser (NO pencil top erasers -the pointy kind that attach to the top of the pencil and make interesting people and projectiles.)
- One backpack

Optional

- 48 or LESS crayons
- 24 or LESS markers

PLEASE

Please NO school boxes

Please do not allow your child to bring additional supplies or more than the requested number of each item. The students have a very limited amount of storage space at their work stations. I provide supply baskets that fit in the desks.

Do plan to replenish consumable supplies on at least a quarterly basis, i.e. pencils and glue sticks.

Please make sure every individual item is clearly marked with the student's name.

Items Per Grade

Third and Fourth Grade Students 200 Napkins

Fifth Grade Students 1 box 200 Kleenex

Sixth, Seventh, and Eighth Grade Students 200 Plastic spoons

All students bring 150 sheets WIDE rule notebook paper for the classroom.

Cards are posted above the small bulletin board with additional items that the class needs!

Thanks!
